Change in Trash Rates

The City of Greensburg has increased the monthly charge for trash services. This is in response to the change in rates that the City is charged by Nisly Brothers.

During the discussion on trash rates, the city extended free 95 gallon single stream recycle services to commercial customers. This is a reaffirmation of the City's commitment to sustainability. If you are interested in receiving a FREE 95 gallon recycle container, please contact City Hall, (620) 723-2751.

Residential rates:
95 gallon cart, \$14.50/mo.
2 95 gallon carts, \$20.50/mo.
