Item 4: Items of Business

A. Consider additional changes to Staff's draft of the Greensburg City Code.

Kern arrived during this discussion item. Truelove explained to Council that Staff and City Attorney Gordon Stull had made a few additional changes to the proposed draft of the Greensburg City Code since their June 30, 2014 work session. Those changes were noted in the meeting packet and included: the lowering of the fine amount previously listed in section 2-122 of the Animal Control Regulations; the deletion of Chapter IV., Article 8. Oil and Gas Wells; removing the Board of Health and City Health and

Welfare Officer in 8-101 and 8-102, replacing them with a City Health Officer; Deleting 8-805 Human Relations Commission; amending 8-806 to appoint the City Treasurer as the Human Resources Director rather than the City Clerk; and amending section 9-112 Court Costs, as recommended by Stull.

Stull has voiced concern over the City's ability to enforce Oil and Gas regulations. City Clerk Christy Pyatt has spoken to the Attorney General's Office and the Kansas Corporation Commission (KCC). She was advised by the legal department at KCC that portions of the City's code would be very difficult to enforce. They concurred that the City may want to remove it from their code, cited K.S.A. 55-1610, 1611, and 1612, and recommended viewing the Code of the City of Wichita. Stull advised that he has further researched the topic. He recommended the City remove the current regulations, continue to review the topic, and adopt regulations later if Council feels it is necessary.

B. Consider Ordinance 1054, adopting the codification of ordinances of the City of Greensburg, Kansas, providing for the repeal of certain other ordinances not included therein, excepting certain ordinances from repeal and saving certain accrued rights and liabilities.

Trummel made a motion, seconded by Jungemann, to approve Ordinance 1054, adopting the codification of ordinances of the City of Greensburg as presented. Roll call vote: Christenson – yes; Trummel – yes; Jungemann – yes; Schaffer – yes; Kern – yes. Motion passed 5-0.
