

CITY OF GREENSBURG, KS

The City of Greensburg
City Hall

Spring Cleaning

As spring approaches it is time to start cleaning your yards. The City's Municipal Code prohibits the accumulation of any of the following in your yard:

Lumber, wire metal, tires, concrete, masonry products, plastic products, supplies, equipment, machinery, auto parts, junk, abandoned motor vehicles, furniture, stoves, refrigerators, televisions, sinks, bicycles, lawn mowers, or other such items of personal property. (8-308)

If you have concerns about any properties in your neighborhood that you would like City Staff to investigate please email Kyler at administrator@greensburgks.org.

If you are looking to get rid of any junk a free city-wide clean up has been scheduled for May 14th.

Building Permits

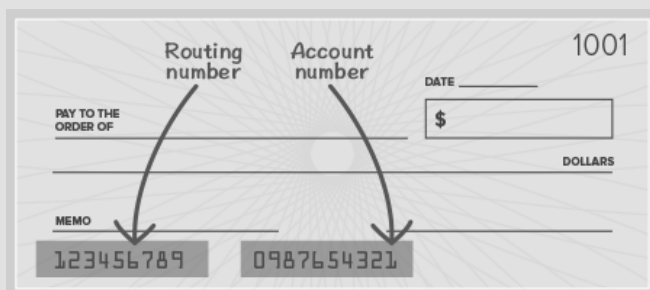

The City of Greensburg requires a building permit for new construction, remodeling, building relocation, and for new fences.

The building permit for a fence or shed is just \$35, and permits for a remodel start at \$40. If you have questions about pricing or would like to apply please come down to City Hall.

Did you know...

That you can pay your utility bill automatically each month with a direct draft from your bank account? Payments will automatically be withdrawn on the 8th of the month. You'll still get a statement in the mail, but don't have to remember to write a check or make a payment! Contact Suleenia at City Hall with your routing and account numbers to sign up! 620.723.2751
