

CITY OF GREENSBURG, KS

The City of Greensburg
City Hall

Free LED Lightbulbs to Greensburg Residents!

Each Greensburg household can pick up one free LED lightbulb to replace a standard bulb in their home.

They have a 5 year guarantee, and should work for 25,000 hours. The bulbs are dimmable 60W equivalent bulbs that use only 9.5W bulb. It is estimated that the bulb will save you \$1.20 in energy costs.

The US Department of Energy estimates that Switching entirely to LED lights over the next two decades could save the U.S. \$250 billion in energy costs, reduce electricity consumption for lighting by nearly 50 percent and avoid 1,800 million metric tons of carbon emissions. This bulb is an estimated \$30 savings over the lifetime of the bulb.

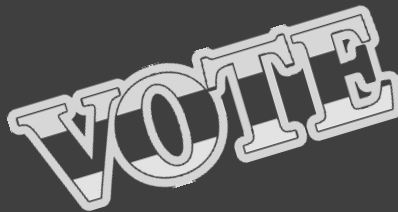

Stop by Greensburg City Hall and pick yours up!

City & County offices will be closed Friday, November 11 in observance of Veterans Day.
