The City of Greensburg now offers online utility bill payments!
Our software company now offers a secure online method of payment for your utility bills and other payments. Visit our website at greensburgks.org and you’ll find the link in the upper right hand corner of the homepage. You will need to have your utility billing account number to make a payment. As always, there is a small card processing fee for credit card payment.

And, you can go paperless! To receive your bill via email, call 723-2751 or email billingclerk@greensburgks.org to with your email address.

Cooler temperatures are coming & so is the end of mowing season! Please make sure to mow not just your lawn but also curbs, edges, around trees & other obstacles around property.

Help keep good sight lines at intersections by making sure your corner is unobstructed from the view of traffic.
