Greensburg Residents:

We are resilient. We have been through adversity and came out stronger on the other side. We are community. We are all in this together. The City of Greensburg Mayor, Council and employees are here to continue to offer the same city services to our residents during this time. We are in an unprecedented time with changes and new information everyday, but we will do our best to get you information and to serve our community.

At 5pm Wednesday, March 18, 2020 City Hall closed to public access indefinitely. Utility bill payments can be made through our drop box on the back of the building, online at www.greensburgks.org or over the phone at 723.2751. On March 17, Governor Kelly passed executive order 20-05 temporarily prohibiting utility disconnections due to non-payment. This does not mean you do not have a bill to pay. This means we cannot disconnect for non-payment. If you are able to pay, please do so as usual or pay what you can when you can.

The Big Well Museum is closed to the public immediately and will remain closed indefinitely.

City Council meetings will continue as scheduled on the 1st and 3rd Monday’s of the month at 6pm. However, with the ever-changing climate, there might be the need to hold special meetings or move meetings to a virtual format. Should that happen we will still make these available to the public in some way and will publish that information on our website and Facebook page.

For City of Greensburg information, follow our City of Greensburg Facebook page, send us a Facebook message, visit www.greensburgks.org, email administrator@greensburgks.org or give us a call at City Hall at 723.2751. We are here for you, please reach out.

The Kiowa County Courthouse, Road and Bridge Department, Commons Building, Community Building and Fair Barn are closed to the public but operations continue via phone, email, or fax. Please contact county offices with questions or visit kiowacountyks.org for more information.

Sign up for Code Red text and phone call updates with Kiowa County Emergency Management at www.kiowacountyks.org or call 620.723.4154.

Please, please do the things that are being recommended by the CDC and KDHE. Wash your hands. Please stay home. If you have travelled, please follow guidelines for quarantine from the CDC and KDHE. Take care of yourselves. Monitor your temperature. Call and check on your neighbors (but don’t visit.) Be positive. Get outside for some fresh air and sunshine, but from a social distance from others.

We will once again come through hardship stronger on the other side.

Mayor Matt Christenson,
Council members Mark Trummel, Haley Kern, Pam Reves, Mike McBeath, Chance Little
Stacy, Christy, Mick, Mike, Caitlin, Aaron, Suleenia, Dan, Kent, Danny, Clarence, Justin, Daniel, and Richard
COVID-19 Information and Resources

Kiowa County Memorial Hospital has changed entry access to the building and visitor protocol. Monday-Friday 7am-5pm entry can be made through the front north entrance and ER. At all other times, the ER is the only entry point.

2020 Census Information has arrived!
The week of March 9th residents should have received information in the mail on how to complete the census online.
Visit 2020census.gov to complete yours! It only takes a few minutes.

What questions will be asked?
Eleven questions, approximately 10 minutes per person
• Name • Relationship to householder • Phone number • Household tenure (own/rent) • Age • Number of people in household • Sex • Usual place of residence • Race • Citizenship • Hispanic origin

The Census Bureau will never ask for:
• A full social security number
• Money or donations
• Anything on behalf of a political party
• Your full bank account or credit card information

15 DAYS TO SLOW THE SPREAD

Listen to and follow the directions of your State and Local Authorities.

If you feel sick, stay home. Do not go to work. Contact your medical provider.

If your children are sick, keep them at home. Do not send them to school. Contact your medical provider.

If someone in your household has tested positive for the coronavirus, keep the entire household at home. Do not go to work. Do not go to school. Contact your medical provider.

If you are an older person, stay home and away from other people.

If you are a person with a serious underlying health condition (that can put you at increased risk, for example, a condition that impairs your lung or heart function or weakens your immune system), stay home and away from other people.

DO YOUR PART TO SLOW THE SPREAD OF THE CORONAVIRUS

Even if you are young, or otherwise healthy, you are at risk and your activities can increase the risk for others. It is critical that you do your part to slow the spread of the coronavirus.

AVOID SOCIAL GATHERINGS in groups of more than 10 people.

Avoid eating or drinking at bars, restaurants, and food courts — use drive through, picnics, or delivery options.

AVOID SECRETIONARY TRAVEL, shopping trips, and social visits.

DO NOT VISIT nursing homes or retirement or long-term care facilities unless to provide critical assistance.

PRACTICE GOOD HYGIENE:
• Wash your hands, or use hand sanitizer.
• Avoid touching your face.
• Cover your mouth and nose with a cloth material or paper if you cough or sneeze.

If you are sick:
• Stay home.
• Call your doctor.
• Do not go to work or school.
