KANSAS COUNTS
CENSUS2020

Census Day is April 1, 2020. The U.S. Census Bureau will send every household a letter with instructions for completing the census on March 9, 2020. Every household is encouraged to complete the census form in one of many ways: online; using the Internet or a smart phone; over the telephone; calling the Census call center; or by using a paper form.

The census form will ask these questions: 1) Name; 2) Phone number; 3) Age of all members in the household; 4) Sex; 5) Race; 6) Hispanic origin; 7) Relationship to head of household; 8) Household tenure (own/rent); 9) Number of people in household; and 10) Usual place of residence. All information given is confidential.

An undercount in Greensburg means our community could lose out on approx. \$46,845 over 10 years for each household that is missed. This funding supports schools, fire stations, health clinics, affordable housing, senior services and more.

Work for the Census! Flexible jobs are available in our area. Learn more at 2020census.gov/jobs
