On March 17, Governor Kelly passed executive order 20-05 temporarily prohibiting utility disconnections due to non-payment until May 1st. However, this does not mean residents do not have a bill to pay. This means we will not disconnect for non-payment. If you are able to pay, please do so as usual or pay what you can when you can. For the April billing cycle, the Greensburg City Council has waived the application of late fees to delinquent accounts.

There are now community cardboard and single stream recycling dumpsters available on north Main Street, on the west side of the street just past the railroad tracks. Please respect this service and use them just for recycling, no trash or other refuse.

Governor Kelly has extended the Kansas Stay at Home Order until May 3rd. For local updates & info regarding COVID-19, call the Kiowa Co. Health Dept. at 723-2136 or visit the Kiowa County KS COVID-19 Facebook page.

City Hall remains closed to public access at this time. Utility bill payments can be made through our drop box on the back of the building, online at www.greensburgks.org or over the phone at 723.2751. The Big Well Museum is also closed to the public.

For City of Greensburg info, follow our City of Greensburg Facebook page, send us a Facebook message, visit www.greensburgks.org, email administrator@greensburgks.org or give us a call at City Hall at 723.2751. We are here for you, please reach out.
