Help Greensburg & Kiowa County Count in the 2020 Census!
Census counting will cease on September 30, so make sure you’re counted! The census only happens every 10 years & impacts so many things, like legislative representation, funding opportunities, healthcare and education. An under count in Greensburg means our community could miss out on approximately $46,845 in federal funding over 10 years for each household missed.

As of the time of this newsletter, the Kansas response rate is 68%, Kiowa County 54% and Greensburg 60%, so we have room to improve! If our current population is 800, that means 320 people are uncounted.

It’s easy and only takes a few minutes. Complete your response at My2020census.gov

Didn’t receive a card in the mail with the 12 digit Census ID? No problem! Just use your address by clicking the link below the ID portion.

Don’t have computer or internet access? Visit the Kiowa County Library or City Hall and we can help you!

---

When mowing, please do not blow grass clippings out into the streets. Clippings clog our drainage system and are a roadway hazard, especially to motorcycles. With recent rains we’ve had some drainage issues due to grass and other debris. Thanks for your help to keep our streets clean and our drainage system flowing!
